

Privacy Policy

+Link operated by Plus Link Ltd, with a registered office in Sydney, Australia, is deeply committed to safeguarding your privacy. This Privacy Policy outlines our practices concerning the Personal Information collected from our website users.

When you utilise our Services, you implicitly consent to the collection and utilisation of your Personal Information by us. Additionally, you affirm that you possess all requisite authorizations to employ these Services, including processing Personal Information. We gather and utilise the information you furnish us, as well as data obtained from your interaction with our Services. Furthermore, we may utilise the collected information internally to refine, enhance, and advance our Services, as well as for advertising and marketing purposes in accordance with this Privacy Policy.

This Privacy Policy has been formulated with consideration for our obligations under the Privacy Act 1988 (Cth), the Privacy Amendment (Enhancing Privacy Protection) Act 2012, which incorporates the Australian Privacy Principles (collectively, the Privacy Act). It is a public document prepared in compliance with Australian Privacy Principle 1 i.e. Open and Transparent Management of Personal Information.

We urge you to read our privacy policy meticulously to gain a comprehensive understanding of how our website collects, uses, safeguards, or otherwise manages users' Personal Information. Our Privacy Policy is designed to enlighten users about how our website handles the Personal Information it processes regarding users. If any portion of this Privacy Policy is unacceptable to you, we regret that we cannot provide our Services, and you should discontinue accessing them.

Through the use of our Services, you acknowledge, consent to, and agree that we may gather, process, and utilise the information you provide to us. Such information will only be utilised by us or third parties acting under our supervision, pursuant to confidentiality agreements, for the enhancement and improvement of the Services.

While we endeavour to notify you of any changes made to this Privacy Policy, you are responsible for regularly reviewing any alterations that may occur. We reserve the right, at our sole discretion, to amend or revise the Policy at any time, and you consent to abide by such modifications or revisions.

INFORMATION WE COLLECT

When you register with us, you provide personal information such as your name, email address, and phone number. Correspondence via email may also be retained, including email content and responses. Additionally, we gather general information about your usage of our services.

By submitting your email and phone number on our website, you may receive marketing material from us, including promotional offers, newsletters, and updates about new products or services. We may contact you via email or phone based on the information you provide, even if no forms are submitted. If you prefer not to receive marketing material, please inform us via email at [“email Support”](#) or by unsubscribing from our emails.

Interaction with other users on the Forum or Interactive Area may involve sharing contact information. Please note that messages shared in these spaces are not private and can be viewed by any member or user of the website.

Any advertisements or related details posted on the website, along with the shared information, are collected by us.

INFORMATION WE COLLECT AUTOMATICALLY WHEN YOU USE OUR SERVICES:

Log Information: We record details of your website usage, such as browser type, language, access times, pages visited, IP address, and the website you visited before navigating to ours.

Device Information: Information about the device you use to access our services, including hardware model, operating system, unique device identifier, phone number, IMEI, and mobile network information, may be collected.

Location Information: With your consent, we may collect device location information to enhance your user experience, provide location-based features, and for various other purposes.

Information Collected by Cookies and Other Tracking Technologies: We employ various technologies to gather information, including sending cookies. Cookies are small data files stored on your computer's hard drive that allow websites to respond to you individually, tailoring their operations to your preferences. Most browsers accept cookies by default, but you can adjust settings to notify you of placement requests, refuse certain cookies, or disable them entirely. However, disabling cookies may affect website functionality. We use cookies for personalized features, such as country and language settings, and for authentication purposes.

How we use your information

The personal information we gather is utilized to fulfill service requests, enhance our services, and facilitate communication with you.

By inputting your email address and/or mobile number into any form, you grant consent for us to utilize these details to send website and service-related notifications, including legally mandated notices, rather than through postal mail. Moreover, you acknowledge that we may send notifications of website activity to the provided email address or mobile device, in line with applicable privacy settings. Your email address may also be used to send additional messages, such as newsletters or updates about our features. If you prefer not to receive optional email communications, you have the option to adjust your settings and opt out.

Our platform offers settings to customize your communication preferences. If you do not wish to receive promotional emails, you can opt out by following the unsubscribe instructions included in those emails. However, even if you opt out of promotional emails, you will continue to receive non-promotional messages about your account and our services.

Upon termination or deactivation of your services, we may retain your information for archival purposes, although we are not obligated to do so. We are committed to maintaining the confidentiality of your Personal Information and will not disclose it publicly except as described in this Privacy Policy.

We reserve the right to remove any content or messages at our sole discretion, for any reason or without providing a reason. Such actions may be deemed necessary to adhere to legal requirements, investigate suspected or actual illegal activities, enforce our policies, safeguard against liabilities, defend against third-party claims, assist government enforcement agencies, or protect the security and integrity of our website. Additionally, we may take such actions to safeguard the rights, property, or personal safety of the website, our users, or others.

HOW WE SHARE YOUR INFORMATION

Our policy strictly prohibits the sale or rental of your information, and we uphold this principle by ensuring that information about you is not disclosed in a manner inconsistent with this Privacy Policy, except as mandated by law or government regulation. We collaborate with law enforcement inquiries and other third parties to enforce laws, including those pertaining to intellectual property rights, fraud, and personal rights.

We do not share the personal information collected about you with any third party for their independent marketing purposes without your explicit consent. Our agreements with third parties include provisions that prevent them from sharing your Personal Information.

If you disagree with our Privacy Policy or Terms of Service, we kindly request that you discontinue using our Service. Your continued usage of the Service will be construed as your agreement to and acceptance of our Privacy Policy and Terms of Use.

WE RESERVE THE RIGHT (AND YOU AUTHORIZE US) TO DISCLOSE ANY INFORMATION ABOUT YOU TO LAW ENFORCEMENT, OTHER GOVERNMENT OFFICIALS, OR ANY LAWSUIT, OR ANY OTHER THIRD PARTY THAT WE, IN OUR SOLE DISCRETION, DEEM NECESSARY OR APPROPRIATE IN CONNECTION WITH AN INVESTIGATION OF FRAUD, INTELLECTUAL PROPERTY INFRINGEMENT, OR ANY OTHER ILLEGAL ACTIVITY THAT MAY EXPOSE US, OR YOU, TO LIABILITY.

HOW WE PROTECT YTOUR INFORMATION

Ensuring the confidentiality of your personal data is of utmost importance to us. We employ a combination of administrative, physical, and electronic measures meticulously designed to safeguard your information from unauthorized access.

By utilizing this website or our Services, or by providing Personal Information to us, you consent to receive electronic communications from us pertaining to security, privacy, and administrative matters related to your usage of this website or Services.

We utilize commercially reasonable physical, managerial, and technical safeguards to maintain the integrity and security of your Personal Information. However, we cannot guarantee the security of any information transmitted to us, and you do so at your own risk. Upon receiving your transmitted information, we endeavor to employ commercially reasonable efforts to secure our systems. Nevertheless, please be aware that this does not guarantee immunity from breaches such as unauthorized access, disclosure, alteration, or destruction. In the event of a security breach within our systems, we will make reasonable attempts to notify you electronically so that appropriate protective measures can be taken.

Notwithstanding any provisions to the contrary in this Policy, we may preserve or disclose your information if we believe it is reasonably necessary to comply with a law, regulation, or legal request; to protect the safety of any individual; to address fraud, security, or technical issues; or to

safeguard our rights or property. However, this Policy is not intended to curtail any legal defences or objections you may have to disclosing your information to a third party, including a government entity.

We strongly advise against sharing any personal information, such as bank account details or other confidential information, with other users on the website. In the event that you do share such information, you are solely responsible for any consequences. We disclaim any responsibility or liability in such cases.

YOUR CHOICES ABOUT YOUR INFORMATION

Your preferences regarding the use of information on our Services are important to us. Here are some options available to you:

Email and Phone Number Communications: Periodically, we may send you newsletters and promotional emails promoting the use of our website or Services. If you wish to stop receiving such communications, you can indicate your preference by opting out. You'll find unsubscribe instructions in the emails you receive, or you can contact us directly. Please note that despite your email preferences, you may still receive service-related communications, including updates to our Terms of Use or Privacy Policy.

Changing or Deleting Your Personal Data: You have the option to modify any of your personal information by visiting the website and following the provided instructions, or by contacting us at [“email Support”](#). Should you request the deletion of your personal data, we will make commercially reasonable efforts to fulfill your request. However, please be aware that certain legal requirements may necessitate the retention of your information for a specific period. Any deleted information will be removed from the active database but may remain in our archives for record-keeping or fraud prevention purposes.

Declining to Submit Personal Data: You have the right to decline submitting personal data through the website. However, please note that this may affect our ability to provide certain services to you. You can review and correct the information we have on file about you by editing your account settings or by contacting us directly at [“email Support”](#)

CHILDREN’S PRIVACY

Protecting the privacy of young children is a top priority for us. Consequently, we do not knowingly collect or solicit personal information from individuals under the age of 18, nor do we allow them to

register for our Services. If you are under 18, please refrain from attempting to register for the Service or providing any information about yourself, such as your name, address, phone number, or email address. No one under the age of 18 may submit personal data for accessing the Service. If we discover that we have inadvertently collected personal data from a child under the age of 18, we will promptly delete such information. Should you suspect that we have obtained information from or about a child under the age of 18, kindly contact us.

MERGERS AND ACQUISITIONS

In the event of a merger or acquisition, we reserve the right to transfer all information, including personal data, stored with us to the newly formed entity or company. Any modifications to the website's policies and status will be communicated to you via email.

LINKS TO THIRD PARTY WEBSITES

Our website may contain links to other websites. Please note that linking to a website does not signify our endorsement, authorization, or affiliation with that third party. We do not exercise control over third-party websites, and they may have their own privacy policies or practices. We encourage you to review the privacy policies or statements of any other websites you visit.

NOTIFICATION PROCEDURES

We aim to provide notifications to you via email, written notice, or conspicuous posting on the website, as determined by us in our sole discretion. You have the option to opt out of certain notification methods as described in this Privacy Policy.

DO NOT TRACK

Do Not Track ("DNT") is a privacy preference available in certain web browsers. While we strive to provide meaningful choices regarding information collection on our website, we do not currently recognize or respond to browser-initiated DNT signals. This is because the Internet industry is still working to define DNT and establish common approaches for compliance.

OPTING OUT OF INFORMATION SHARING

We respect your preferences regarding information sharing. If you do not want us to share your information, please contact us at [“email Support”](#), and we will endeavour to remove your information as soon as reasonably practicable. However, under certain circumstances, we may still be required to share your personal information, such as in response to legal obligations or to protect our rights or property.

PHISHING OR FALSE EMAILS

If you receive an unsolicited email requesting personal data or verification of your account, please be cautious. We do not request this type of information via email. If you receive such an email, please refrain from providing any information or clicking on any links. Instead, contact us using the contact details provided on the website.

CHANGES TO OUR PRIVACY POLICY

We may update this Privacy Policy and information security procedures periodically. Any material changes will be posted conspicuously on the website to notify you. Your continued use of our website and Service following such changes indicates your acknowledgment and acceptance of the updated terms and conditions.

BREACH OF PRIVACY POLICY

We reserve the right to terminate or suspend any account or delete content from any profile or public domain on our website if it violates our privacy policy. We urge you to respect the privacy and confidentiality of others. Any breach or dispute regarding privacy will be determined in accordance with the website's terms of use.

NO RESERVATIONS

We do not accept reservations or limited acceptance of our privacy policy. By using our website, you expressly agree to all the terms and conditions outlined in this policy without exception.

NO CONFLICT

This policy is an integral part of our user terms, and we have taken measures to avoid inconsistencies or conflicts with any other terms, agreements, or guidelines on our website. In the event of any conflict, please contact us for clarification and interpretation.

DEFINITIONS

- “Collect” means gather, acquire or obtain by a lawful and fair means, information in circumstances where the individual is identifiable or identified.
- “Express Consent Consequences” includes the fact that that we will not be accountable under the Privacy Act and you will not be able to seek redress under the Privacy Act in the event that you provide consent to the disclosure of your Personal Information by us to an overseas recipient and the overseas recipient handles your Personal information in breach of the Privacy Act.
